Recycling is easy in Crowsnest Pass! Keep this card on your fridge. The next time you need to know what can be recycled in our community, check to see what goes where. Many local businesses and organizations provide diverse recycling opportunities for residents. Some even pay you to recycle!

Recycling saves resources, conserves energy, reduces pollution, and extends the life of landfill sites.

Practice the 3 R's:

Reduce Think before you buy. How is it packaged? Do you need this item?

Reuse Be creative. Buy reusable items. Repair broken ones. Share with your neighbours.

Recycle Visit the What Goes Where Guide on the reverse side for recycling locations. Please deliver to these businesses during their hours of operation. Contact them if you have questions.

The Municipality of Crowsnest Pass hosts a one-day hazardous waste and e-waste collection every spring. Call 403-562-8833 to learn when the next toxic roundup is scheduled.

To learn more about recycling visit:

Alberta's Recycling Hotline (1-800-463-6326) at www.recyclinghotline.ca to find out what to recycle where for the entire province.

Alberta Recycling at www.albertarecycling.ca to discover more about Alberta's recycling programs.

This information card was produced by Crowsnest Conservation Society with generous support from:

Shell Environmental Fund, Man-West Environmental, Anatum Ecological Consulting, Municipality of Crowsnest Pass, Katimavik, and Pass Beverages

Crowsnest Conservation Society is a charitable organization devoted to working with community partners to ensure a healthy future for the natural environment and the people and wildlife that share it.
